GIFTS TO SCHOOL PERSONNEL

Gifts from Suppliers and/or Contractors

The members of the Board of Education and its employees wish to avoid any conflict between their personal interests and the interests of the school district in dealing with suppliers, contractors and all organizations or individuals doing or seeking to do business with the regional school district.

Although it is customary for some suppliers to give gifts to customers' employees at different times which are not of more than nominal value, and are not intended to influence in any manner the school district's procurement practices, the Board of Education requests, in view of the possible adverse publicity that might arise from such practice on the part of the suppliers, that suppliers or potential suppliers do not include the name of any individual connected with the school district on their gift lists.
